

What are Deductions for?

Specific Expectation(s):

- A2.1 gather, interpret, and describe information about government payroll deductions (i.e., CPP, EI, income tax) and other payroll deductions (e.g., contributions to pension plans other than CPP; union dues; charitable donations; benefit-plan contributions)

12. What services do your **federal income taxes** pay for? List 5.

13. What services do your **provincial income taxes** pay for? List 5.

14. Is it fair that the CPP takes money from your paycheque and invests it for you?
There are Pros and Cons to this arrangement. Think about (or research) one valid point for each side.

Reason(s) to be supportive of CPP	Reason(s) to be unhappy about CPP

15. Is it fair that you pay into Employment Insurance from your paycheque?
There are Pros and Cons to this arrangement. Think about (or research) one valid point for each side.

Reason(s) to be supportive of EI	Reason(s) to be unhappy about EI

16. Do self-employed people have to pay into CPP?

17. Do self-employed people have to pay into EI?

18. How do self-employed people pay their income taxes?
Example: A tutor who is paid cash for each hour they tutor. There is no 'paycheque' to have income tax / CPP / EI deducted from.
